BENEDICTION

The Irrefutable Necessity of Clinging to Christ Continually-Pt.1

*2 ways that we must bear fruit by clinging to Christ continually
in order to be assured of our status as genuine followers—vv.1-8*

1. By understanding the roles—vv.1-3

i. What the Father and Son's roles represent—v.1

ii. What the Father and Son's roles involve—vv.2-3

2. By understanding the ramifications—vv.4-8

i. Fruit is produced exclusively through the presence of a persistent vital union with Christ—vv.4-5

ii. Judgement is incurred comprehensively due to the absence of a persistent vital union with Christ—v.6

iii. Assistance is granted abundantly in the presence of a persistent vital union with Christ—v.7

iv. Exaltation is achieved obediently through the presence of a persistent vital union with Christ—v.8
